

401 LIFT GRAVITÀ ZERO M2

Code PR07970

DESIGN IN MOVIMENTO

Standard sizes (mm)

533

					
Motorized	28,5kg +/- 1kg	Armchair	MAX 120kg 270lbs	Cycles: 30.000	2 YEARS Mechanism 2 YEARS Actuator Warranty

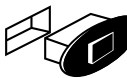

Positions:

Benefit: Entry level mechanism of the Lift family designed to ensure high lifting performance and comfort, facilitating the daily life of the most needy user. Two actuators regulate the different movements in order to ensure infinite use positions, from closed to TV to full relax to lifting (lift) up to zero gravity

position. An actuator has the function of extending the footboard and plays a light tilting action of seat and back; the second, instead, reclines the backrest until it reaches the opening position. Various options are available and give the final customer the opportunity to have a product customized according to their needs.

Optional
