Benefit: COUCH OPLÀ is the "extra large" version of the OPLÀ mechanism. While OPLÀ is designed only for armchair, COUCH OPLÀ is designed also for sofas. Wide and comfortable seat (800mm), the different configurations (fixed base and swivel base) and the customizations (backrest with sofa joints and motorized

backrest) combined with the electronic options, make this product a source of inspiration in the creation of innovative upholstery, which retain the fundamental aspects of comfort and functionality worthy of a product of the highest quality. COUCH OPLÀ has been designed to create upholstered OPEN BASE and SWIVEL (minimum height 130mm).
