**Benefit:** Extremely solid and versatile mechanism, can be used on different models of armchairs and sofas, from classic to contemporary design. The mechanics can reach infinite relaxation positions with the simple manual adjustment from closed, tv to Gravity 0, all flush wall. "Gravity 0" is the result

of extensive studies that have shown that, thanks to the "legs/ heart" alignment, the feeling of relaxation is amplified. Designed to provide high performance comfort for the end user, making this product unique. DECKCHAIR has been designed to make upholstered CLOSED BASE.
