Benefit: EASY BACKREST manual is a back ideal for upholstery with low profile and contemporary design. The use of high quality materials and a durable but light structure, makes this product easy to install and long-lasting. The mechanism moves upwards and is activated by pressing the

backrest, flowing up to 112 mm, thus increasing the support surface for the back and the comfort of the end user. EASY BACKREST can be used both for upholstery with fixed seat, and both with different kind of mechanisms, qualities that make this product versatile and functional.
