Benefit: FACILE evolution manual is an "entry level" mechanism, ideal for the creation of fixed and swivel sofas and armchairs. Moving the product is simple, simply move back the weight of the body on the seat to operate the mechanism and open the footboard to get the "TV" position. In addition, thanks to the particular "push-back" movement, shifting the weight

of the user on the back, from the TV position you go to the most comfortable "full relax". A wide choice of options allow the customer to further customize the characteristics of the mechanism in order to create a unique padded. FACILE evolution manual has been designed to create fixed and swivel OPEN BASE upholsteries (up to 200mm).
