Benefit: First Class STD is a complete product as it is equipped with a sliding mechanism (Chaise) that allows the transition from the "closed" position to the "bed" position, enhancing and maximizing the comfort of the user. This is done by moving forward, simultaneously, the seat, the backrest and

the headrest. The mechanism, solid and robust is, at the same time, a perfectly modular product that allows you to compose the padded according to your needs with ease. In addition, this model is facilitated for mounting the headrest. This product is used in the design of OPEN-BASE upholstery (high feet up to 150mm).
