High Foot (Padded open base)

Up to 150mm

## Positions:

Closed

TV

Bed

**Benefit:** First Class extended motorized has been designed for all those who seek extreme comfort. The characteristic "Extended" allows to increase the depth of the seat by 130mm. The sliding mechanism (Chaise) allows the transition from the "closed" position to the "bed" position,

offering the user infinite relaxation positions. First Class extended motorized is a mechanism with a solid, robust and modular structure, which allows you to compose the padded according to your needs with extreme ease. This product is used in the design of OPEN-BASE upholstery (high feet up to 150mm).

## Optional
