Suggested size  
for the **Backrest**

540

650

							<b>2YEARS</b>
Manual	1,7kg +/- 100gr	425 mm	Armchairs	Sofas	Load:30kg	Cycles:50.000	Warranty

**Benefit:** The manual backrest MITICO evolution 425 is characterized by a versatility of use, suitable for different types of upholstered sofa. By a simple movement, it allows you to move the backrest 425 mm back,

increasing the depth of the seat. The evolution version, has been completely renewed (aesthetic and functional); smoothed levers, reduced weight of 1,7 kg, make the MITICO a cutting-edge product, durable and easy to install.
