Standard sizes (mm)

520

Motorized

20kg +/- 1kg

Armchair

Maximum lifting capacity

MAX
120kg
270lbs

Cycles: 30.000

2 YEARS
Mechanism
2 YEARS
Actuator
Warranty

Positions:

Closed

TV

Full Relax

Lift

Benefit: MO-311 LIFT M2 is designed to ensure high lifting performance and comfort, facilitating the everyday life of the most needy user. Two actuators regulate the different movements in order to ensure infinite positions of use, from Closed to TV to Full relax up to the Lift. The first actuator, in addition to bringing the padded to the Lift position, extends the footboard by doing a light tilting action to the seat and

backrest; the second actuator instead reclines the backrest until you reach the Full relaxation position. The lift system lifts the padded (from closed position) allowing the person to stand upright. Options are available that give the final customer the opportunity to have a product customized according to their needs. The mechanism is equipped with a base.

Optional

SOME
ACCESSORIES

HEADREST
& RATCHETS
