BETWEEN HUMAN AND TECHNOLOGY

 Manual	 6kg +/- 1kg	 Sofas	 Armchair	 MAX 120kg 270lbs Maximum capacity	 Cycles: 50.000	2 YEARS Warranty
---	--	--	---	---	--	----------------------------

Standard sizes (mm)

520

Positions:

Closed

Full Relax

Benefit: Perfect mechanism for sofas and armchairs with clean and thin design. With a very solid and compact base structure, this mechanism MO-311 grants a wide range of option for the design of the finished product. Push the backrest back the mechanism to open the footboard reaching the full

relax position. The design of the levers, minimal and linear, allows a sliding movement of the mechanism to improve the comfort of the upholstered furniture.
