540	540
650	650
730	730
800	800

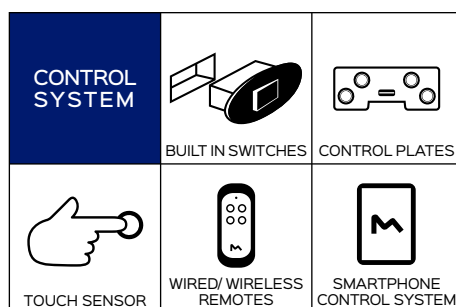

Max size padded 800
Headrest size da 300 a 630

Benefit: POWER JOINT 90°-218° motorized combines the compactness of a manual ratchet with the motorized functionality, allowing it to be adjusted in any position. It also has the same size as the

standard ratchet shank, with a diameter of 12 mm, this allows you to have the same stem of the attachment in the backrest.

Optional
