**Benefit:** The PUSH HEAD slim strong is the evolution of the PUSH HEAD slim, a successful product thanks to its. Perfect for furniture with deep seats, the PUSH HEAD slim strong can satisfy also the most demanding customers. Key features are: the rotation of the levers, which make a movement of 45°, the stability in the opening and

closing phase, and the safety system which blocks the mechanism in case of obstruction. Furthermore, the safety system helps the closure of the mechanism, lightening the load on the actuator. Ideal for a correct posture and to grant the right cervical support, and the best comfort.

Optional
