Types of padded realization:

A. Low Foot (Padded closed base)

B. Middle Foot (up to 100mm)

Benefit: SCORPION manual is an innovative product that combines the characteristics of a relax mechanism to those of a backrest. The ease of use and the elegance of the movement make this mechanism a moving piece of art. The user just need to move the weight back in order to activate the synchronized

mechanism that allows the opening of the footrest and backrest at the same time, increasing the seat depth of 270mm in comfort, completely transforming the finished product.

SCORPION manual has been designed to be upholstered with both CLOSED BASE and OPEN BASE.
