Positions:

Closed

Full Relax

**Benefit:** The sliding sitting mechanism motorized is simple that fits to the frame of the sofa, it's made to high quality material to avoid wear over time. The structure of the mechanism is light but functional, easy to install and versatile, for upholstery with a more futuristic design than those with

more minimal shapes. Equipped with a sliding movement, the transition from a closed position to a chaise longue position by activating an actuator that slides the seat forward by 36.5 cm.

## Optional
