**Benefit:** SPAZIO cinema motorized is a modern and functional mechanism, designed to be used in the seats in cinemas, offering a new experience to the user. Thanks to the flap the footboard is more extended, thus increasing comfort. The electric adjustment allows the user to find the most comfortable position of use, all in safety, thanks to the 0-Wall

feature. Another distinguishing feature is the backrest, which reclines 6° less than the standard version. Possibility to customize, on request, the visible finishes of the product choosing from a series of surface treatments. SPAZIO cinema motorized has been designed to create upholstered OPEN BASE (high foot).
