Full Relax

**Benefit:** SPAZIO smart motorized is a modern and functional mechanism that stands out from the homonymous of its family because it lacks Flap ("smart" feature). This product is used in the design of **open-base** upholstery. The

electrical adjustment allows the user to find the most comfortable position of use, all in safety, thanks to the characteristic 0-Wall. It is also possible, on request, to customize the finishes of the exposed parts.

## Optional
