730	560
800	630

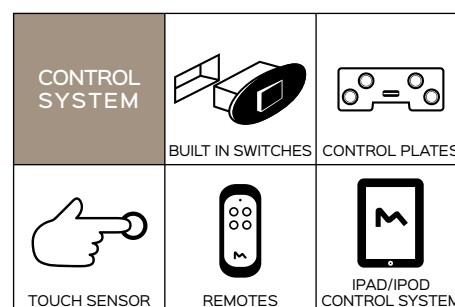

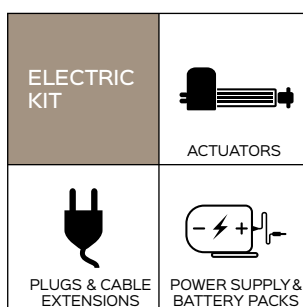

Different sizes available

Benefit: The SPIN UP electric headrest/backrest has a strong and stable structure, the mechanism is designed to fit also with the aesthetics of compact sofas. The levers carry out a translation of 100 mm and turn through an angle of 43°, to create the perfect and

proper cervical support in all the positions. It's provided of a safety self-returning mechanism, that stops in case of obstruction, but at the same time it allows to turn to the close phase in total security once the obstruction is removed.

Optional
