

# SPIN UP reinforced motorized

Code PE07495-XXXX

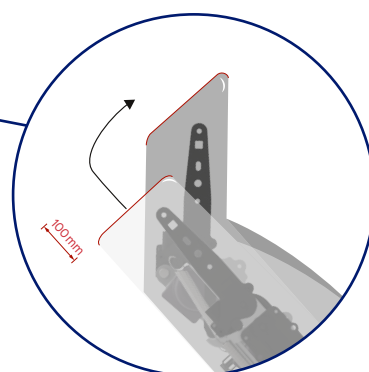

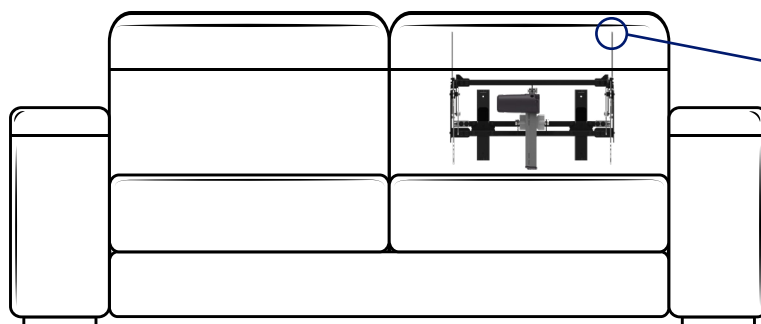

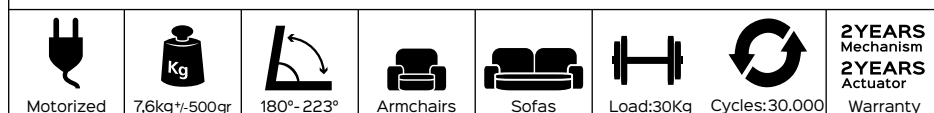

BETWEEN HUMAN AND TECHNOLOGY

Premium  
line

## Standard sizes (mm)

Suggested size for the Seat	Headrest size
900	730
1000	830
1100	930
1200	1030

**Benefit:** The SPIN UP reinforced motorized electric headrest/backrest responds to the need to use it inside seats greater than 630 mm. The reinforced version has the same characteristics as the "standard" version: the levers perform a translation of 100mm and a rotation with an angle of 43° and this version is also equipped with a safe

return mechanism that locks if it encounters an obstacle but at the same time it allows to return to the closing phase once the obstacle is removed, all in total safety. The difference is the weight capacity, from 15kg of the standard version, it has been doubled to 30kg.

## Optional

<b>ACCESSORIES</b>   KD	<b>ELECTRIC KIT</b>   ACTUATORS	<b>CONTROL SYSTEM</b>   BUILT IN SWITCHES	 CONTROL PLATES
 PLUGS & CABLE EXTENSIONS	 POWER SUPPLY & BATTERY PACKS	 TOUCH SENSOR	 REMOTES
 IPAD/IPOD CONTROL SYSTEM
