Benefit: The **SPORTBACK advance manual** is the advanced version of the standard one. There is a belt bar ensuring durability and stability of the backrest. The sofa joints in the frame allow you to customize the backrest angle of 36° (129° - 165°). The possibility of choosing between the MITICO evolution and SWIVEL BACK optional allows you to

add further functionalities to the product:

- Using the MITICO evolution it's possible to **increase the seat**.
- By using the SWIVEL BACK, in addition to a **deeper seat**, you can have a **360° rotation of the backrest**.
