SPORTBACK premium with  
MITICO evolution

**Benefit:** The SPORTBACK premium manual is the full optional version of the products belonging to the SPORTBACK family. **The moving backrest (129°-165°)** has been associated with a **fractioned sofa joint (360°)** which increases the possibility of comfort on the finished upholstery.

The possibility of choosing between the MITICO evolution and SWIVEL BACK optional allows you to add further functionalities to the product:

- Using the MITICO evolution it's possible to increase the seat.

- By using the SWIVEL BACK, in addition to a deeper seat, you can have a **360° rotation of the backrest.**
