Benefit: The SPORTBACK standard manual is an innovative backrest characterized by versatility of use. The different customizations make it unique, in fact, in addition to the backrest function, you can add the headrest (SPORTBACK premium manual). The possibility of choosing between the MITICO evolution and SWIVEL BACK optional allows you to add further functionalities to the product:

- Using the MITICO evolution it's possible to increase the seat.

- By using the SWIVEL BACK, in addition to a deeper seat, you can have a 360° rotation of the backrest. In addition, the sofa joints in the frame allow you to customize the backrest angle of 36° (129° - 165°).
