Different sizes available

Benefit: The STILE extended plus motorized headrest is the flagship product of the STILE family. It's one of the most revolutionary and functional products with 102° rotation, 232mm lift and 83mm translation. This headrest guarantees a high comfort level in all its different positions, from the Tv

one to the relax position. In this latter position, the cervical support allows the end-user to keep a correct posture and to use the product in comfort.

Optional
