Warranty

Benefit: The STILE hybrid manual headrest is a versatile product, characterized by reduced sizes due to a telescopic adjustment function of the width of the crossbar. 63° rotation, 191 mm lift, 20 mm translation. This headrest guarantees a high comfort level in all its

different positions, from the closed one to the TV position. In this latter position, the cervical support allows the end-user to keep a correct posture and to use the product in comfort.
