Full Relax

Benefit: SUITE compact reinforced motorized, it's a product with a solid and functional structure. Top version of the SPAZIO family, the mechanics is innovative because the footboard is able to lift even more: ninety millimeters compared to previous versions. Designed for the most spacious seats is equipped with reinforced bars that make the structure more resistant. This mechanism is perfect for

creating upholstery from the most compact and wide seat with a higher level of comfort. Endless relaxation positions with simple electrical adjustment, all flush with the wall. The exposed parts, on request of the customer, can be embellished with various finishes. SUITE compact reinforced has been designed to create OPEN BASE upholstery (feet up to 180mm high).
