Full Relax

Benefit: With SUITE motorized, the relaxation experience is even more complete. Top version of the Spazio family, the mechanics is innovative because the footboard is able to lift even more: ninety millimeters compared to previous versions. Despite this aspect, the draw of the mattress (between the seat and the footboard), and the holes in the stem, remain

unchanged compared to the SPAZIO mechanics, thus making the two completely interchangeable. A wide choice of finishes allow the customer to further customize the design of the mechanism in order to create a unique padded. SUITE motorized has been designed to create upholstered OPEN BASE (high feet up to 150mm).
