Benefit: SUITE slim is simple and essential. Top version of the SPAZIO family, the mechanics is innovative because the footboard is able to lift even more: ninety millimeters compared to previous versions. This mechanics can be electronically adjusted to different positions obtaining a comfortable resting posture for the legs. This mechanism is designed for padded

fixed seat, as moving the footboard, the positions of the seat and backrest will remain unchanged. A wide selection of finishes allow the customer to further customize the design of the mechanism in order to create a unique padding. SUITE slim has been designed to create upholstered OPEN BASE (high feet up to 200mm).
