**Benefit:** SUITE slim smart is simple and essential. Top version of the SPAZIO family, the mechanics is innovative because the footboard is able to lift even more: ninety millimeters compared to previous versions. The reduced size of the footboard makes it suitable for smaller spaces while maintaining a comfortable resting posture for the legs. This mechanism is designed for padded fixed seat, as moving the

footboard, the positions of the seat and backrest will remain unchanged. A wide selection of finishes allow the customer to further customize the design of the mechanism in order to create a unique padding. SUITE slim smart has been designed to make upholstered both CLOSED BASE and OPEN BASE (high feet up to 200mm).
