

MECHANISM FOR TABLE

BETWEEN HUMAN AND TECHNOLOGY

				2YEARS
Manual	2,5kg	Armchairs	Sofas	Warranty

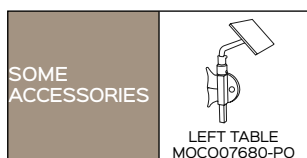

Benefit: MECHANISM FOR TABLE is the perfect combination of design and functionality. A flexible, dynamic and easy to use product. A pressure system facilitates the opening/closing of the stage allowing the user to configure the product in the most comfortable position. A "jerky" system instead allows the user to rotate the product, implementing the possibilities of convenient, according to the needs. The mechanism has been designed to become a distinctive

design element, which is fully integrated into the final look of the upholstery. The chrome finish further amplifies the aesthetic appeal of the product, giving it character and personality.

PLEASE NOTE: The wooden coffee table is not included. The standard configuration provides for the mounting of the mechanism on the left. On request it is possible to provide the version with the right mounting.

Optional
