Armchair

Sofas

Maximum capacity

MAX
150kg
330lbs

Cycles:30.000

2YEARS
Mechanism
2YEARS
Actuator

Warranty

Low Foot (Padded closed base)

Positions:

Closed

Full Relax

Benefit: This mechanism has been specifically designed to guarantee the maximum comfort. An actuator regulates the different positions: closed and full relax. The actuator extends the footrest and performs a slight tilting action of seat and backrest;

then, it reclines the backrest reaching the maximum comfort position. TAURUS classic telescopic M1 as been designed to create padded CLOSED BASE (low foot).
