

VERTICAL fly motorized

Code PEPLIV06099-XXX

BETWEEN HUMAN AND TECHNOLOGY

Type A

Type B

Standard sizes (mm)

Suggested size for the Seat	Headrest size (wheelbase I)	
550	321	Type A
600	371	
650	421	
700	471	Type B
750	521	
800	571	

Benefit: The Vertical fly motorized headrest is a motorized translating mechanism, that allows to adjust the height of the headrest at will. New product of the VERTICAL family, the fly version is lighter and more compact, with an increased translation movement compared to the other products (130mm). Versatile

and comfortable, it can be customized with a selection of TEXAS sofa joints, combining the translation with the rotation, enriching the quality of the product.

Optional
