880	521

Benefit: VERTICAL spin 90°-210° motorized is an evolution of the VERTICAL motorized headrest. Easy to use, compact and the avant-garde technology makes this product unique. Equipped with a translating movement (97mm) that

increases the support surface of the backrest and a rotation of 120 ° (90 ° - 210 °). Vertical spin 90°-210° can be used on any type of upholstery, making this product highly versatile. The lift / rotation combination offers the user multiple comfort positions.

Optional
