Benefit: SUNSET smart is simple and essential. It can be electronically adjusted to different positions, obtaining a comfortable resting posture for the legs. This mechanism is designed for upholstered fixed seat, as having the engine synchronized with the backrest, will cause the latter to act, while the seat position will remain unchanged. The small footprint of the footboard makes it suitable for smaller spaces

while maintaining a comfortable posture of rest for the legs. A wide choice of finishes allow the customer to further customize the design of the mechanism in order to create a unique padded. SUNSET smart motorized has been designed to make upholstered both CLOSED BASE and OPEN BASE (high feet up to 150mm).
